RELEVANT EXPERIENCE

QUEEN OF MY UNIVERSE

Software Developer

Melbourne, AU

March – June 2022

- Constructed a responsive WordPress life coaching website and content marketing platform for Queen of My Universe, an ambitious Melbourne-based business, with a team of two developers.
- Established modifications in various plugins to improve overall functionality and flexibility, as well as incorporate SEO optimisation, resulting in a 15% increase in unique user visits to the website.
- Interfaced with clients on a weekly basis, providing technological expertise and knowledge.

ATM ONLINE VN

Software Developer Intern

Ho Chi Minh, VN

January – March 2022

- Developed and maintained code for in-house website primarily using HTML, CSS / Styled Component, React, and Typescript.
- Collaborated with senior developers to select ambitiously, but realistic coding milestones on pre-release software project development.
- Participated in software field testing to verify the performance of developed projects.

VOLUNTEER EXPERIENCE

NGALAYA INDIGENOUS CORPORATION

Business Consultant (Mentee)

Melbourne, AU

October – November 2021

- Suggested prospective philanthropic seed-funding sources and pitch approaches for those funds.
- Delivered an elevated and insightful report including associated charts and infographics.
